Presenting our newest creation: The Dune Sandworm Coaster!

Inspired by the movie of Dune, this 3D-printed coaster adds a touch of sci-fi into your everyday routine. Say goodbye to ordinary coasters and embrace an interactive experience with every sip!

Whether you're indulging in a refreshing beer or savoring a steaming cup of tea, our coaster is guaranteed to boost your drinking experience. It can be used with almost every cup, even those with a handle!

What's Included:

3D-printed coaster designs, meticulously crafted to capture the essence of the legendary sandworms from Dune.

Comprehensive instructions for easy assembly and usage, ensuring a seamless experience from start to finish.

Added .3mf files for click and print experience and easier printing.

Additionally, **AMS is not needed**.

3D PRINTING GUIDELINES

Infill: Minimum of 10%

Speed: Minimum speed of 40 mm/s

Supports: Not required – designed for a hassle-free print in place.

Skirts/Rafts/Brims: Typically unnecessary; consider using a brim for improved bed leveling or a raft for better adhesion. Printing with resin is also a viable option.
